

Hasina has set another Landmark in her Disgraceful Subservience to India by Inviting India's Border Security Force to train Border Guard Bangladesh

News:

On 25/08/2014, India and Bangladesh concluded a five-day BSF-BGB Director General level conference in New Delhi, India. Both countries agreed to hold joint periodical training exercises, namely "Umbrella of Joint Exercises" in which India Border Security Force (BSF) would train Border Guard Bangladesh (BGB) personnel in border management and advanced border security training skills. In the conference, the officials have also decided to make this joint training institutionalized for closer contact between the parties.

Comment:

BSF has always killed, injured, abducted, and arrested unarmed Bangladeshi civilians by trespassing into our territories. The ill-fated victims of such Indian savagery are mainly poor farmers who were working on their land and their family members. On 07 January, 2011, the dead body of a 15 year old Bangladeshi girl named Felani Khatun killed by BSF was hanging on the Indo-Bangla border fence made of barbed wire. Since then, it has become a symbol of Indian animosity. India has rubbed salt into our wounds by acquitting Felani's murderer. In the last ten years, BSF has killed almost one thousand defenseless Bangladeshi civilians and turned the border area into the largest South Asian killing field. Under these circumstances, nothing could be more appalling than to seek help from such an enemy which we are supposed to fight with.

Since the destruction of the Khilafah, it has been proven time and again that the traitor rulers of the Muslim lands have been set to look after our enemies' interests. In contrast to BSF killing spree in the border area, BGB personnel are sent to India to play "Maitri Cup" (Friendship Cup) basketball match! By organizing these worthless conferences and friendship matches, treacherous Hasina has led the nation to the door of utter humiliation.

Oh Muslims of Bangladesh! Are we not being sinful for electing these rulers who dare to violate the command of Allah, the Supreme?

"Oh you who believe! Take not as (your) bitaanah (advisors, consultants, protectors, helpers, friends, etc) those outside your religion since they will not fail to do their best to corrupt you. They desire to harm you severely. Hatred has already appeared from their mouths, but what their breasts conceal is far worse." [Ali Imran: 118-120]

Indeed the words of the Almighty are true. India has not left any stone unturned to inflict harm on us by their puppet rulers. The betrayal of our rulers should be

reason enough for us to work hard to uproot this democratic system that brings such puppet rulers into being and re-establish the Khilafah which is the shield of the Ummah.

Oh Sincere Officers of the Bangladesh Military! You must recompense for your sins of still being obedient to the orders of the killer Hasina who assisted India in carrying out the Pilkhana Massacre. Does your blood not boil to see Hasina asking for help from that enemy which slaughtered your fellow officers and dishonored their family members? It is high time for you to give Nusrat to the sincere workers who are working tirelessly to remove these treacherous rulers and re-establish the rightly guided Khilafah state.

"Oh you who believe! Answer Allah and (His) Messenger when he calls you to that which gives you life, and know that Allah comes in between a person and his heart. And verily, to Him you shall (all) be gathered." [Al-Anfal: 24]
