

Press Release

From Public Talks held in front of 50 Mosques, Hizb ut Tahrir Calls upon the People to Stop the Circus of Democratic Elections and Establish the Second Khilafah Rashidah

Hizb ut Tahrir organized Public Talks after Jummah prayers today in front of 50 mosques in Dhaka, Chittagong and Sylhet. There was spontaneous participation from the people who listened attentively and supported the talks arranged under the title, “*Oh People! The Only Way to Free Yourself from Tyrant Hasina is to Demand from the Sincere Military Officers to Overthrow her and Transfer the Authority to Hizb ut Tahrir to Establish the Second Khilafah Rashidah.*” Members of **Hizb ut Tahrir** delivering the talks made the following points:

1. There is only one real alternative to Sheikh Hasina’s misrule and tyranny; and that is for the people to establish the Second Khilafah Rashidah state, which will rule them with compassion, caring for them, and acting as their guardian rather than being an enemy to them like the tyrants of today.
2. The people have to reject the current kufr ruling regime and stop the circus of so called free and fair democratic elections. They have to shun every call and every caller to the democratic system and to democratic movement and those who present themselves as an alternative force but within this democratic political set up. It is this rotten democracy which created and made space for the likes of Hasina-Khaleda to enter politics, corrupt it and reach the authority.
3. The people must demand from the sincere officers in the military, those they know and they meet, to overthrow Sheikh Hasina and transfer the authority to **Hizb ut Tahrir** to establish the Khilafah. Making the sincere officers switch sides, making them abandon the regime and take the people’s side is the assured way to change the regime when they overthrow it, not for taking power for themselves, rather for transferring the authority to sincere and aware politicians, those politicians who will build the regime on a new basis, the Islamic Aqeedah and declare Bangladesh as the Khilafah. These sincere and aware politicians, those who are aware of how to solve the people’s problems according to the Qur’an and the Sunnah, how to industrialize the country, how to face regional and global challenges, are to be found in **Hizb ut Tahrir** and not in any other party, the combination of the two - sincerity and deep awareness - does not exist in any other party.

The names of the mosques where the Public Talks were arranged have been attached (in Bengali) with this press release.
