Hizb ut Tahrir Organized a Protest Meeting Today against the Arrest, Remand, Torture and Imprisonment of Two Women Members of the Party

Members, activists and supporters of **Hizb ut Tahrir** gathered in front of the main gate of the Supreme Court today at 12:00pm to protest against the arrest of two women members of the party on Sunday, 30 August (2015), by the Detective Branch (DB) and to demand their immediate release. After their arrests, the shameless DB took the dignified sisters for two days remand on Tuesday, 01 September, during which they were beaten severely; one of the sisters was beaten to the point that she bled from different parts of her body and became senseless. In spite of this the heartless officers of the DB took them to court on Friday, 04 September, instead of a hospital and the judge sent them to jail. Oh Allah! Destroy the hands that are responsible for this cruelty to the sincere Muslim women, hold them accountable for their heinous crime, each one of them oh our Lord and be severe with them:

(إِنَّ بَطْشَ رَبِّكَ لَشَدِيدٌ)

“Verily, the Seizure of your Lord is severe and painful.” [Al-Buruj: 12]

Oh Judges!

Our members, activists and supporters gathered in front of the court solely to remind you, the judges, that Allah (swt) is the Judge of all judges, Who will call all judges to account. He (swt) has decreed that you judge by nothing other than what He has revealed and that when you judge, you must judge with justice:

(وَإِذَا حَكَمْتُم بَيْنَ النَّاسِ أَنْ تَحْكُمُوا بِالْعَدْلِ)

“...And that when you judge between man, judge with justice.” [An-Nisa: 58]

The so-called Anti-Terrorism laws by which you judge against the dawah carriers of Islam and the workers of Khilafah, the men and women of **Hizb ut Tahrir**, are neither derived from what Allah has revealed, nor do they have any remote connection with justice. They are rather legislated by the agent regime to fight Islam, promulgated in accordance with the dictates of America and her allies in the War against Islam as tools for depriving the sincere Muslims from receiving justice. You are fully aware of this. We call upon you not to turn a blind eye to this fact, neither to turn your backs on the Words of Allah (swt). Furthermore you claim honour for yourselves in your post as judges; we ask you to ponder and reflect upon what is so honourable in sending the sincere daughters of the noble Ummah of Muhammad (saw) to the dungeons of the Tyrant. And to ponder and reflect upon if there is anything honourable in your being seen to be colluding in the War against Islam. And last but not least, to ponder and reflect upon this hadith of RasulAllah (saw),

“Judges are of three types, one of whom will go to Jannah and two to Hell. The one who will go to Paradise is a man who knows what is right and gives judgment accordingly; but a man who knows what is right and acts tyrannically in his judgment will go to Hell; and a man who gives judgment for people when he is ignorant will go to Hell.” [Abu Dawud]

We demand and expect you will follow the right course of action - by being obedient to Allah (swt) in your judgements, by being just to the dawah carriers of Islam and the workers of Khilafah, and by releasing them instead of complying with the orders of the government to imprison them.
