

Press Release

Shame on the SP of Jessore and his Thugs who are harassing and victimizing the Family of Hizb ut Tahrir Activists

The tyrannical Jessore police have again arrested Tanjib Ahmed (20), the long suffering activist of Hizb ut Tahrir, from the lower court of Dhaka on 28th August (2016). Not only have they arrested Tanjib on his court attendance date but they have also shamelessly detained his elder sister Masuma Akter (24) who was accompanying him in the court complex. And now the family of Tanjib is being further victimized by the police for bribes on the one hand, and on the other hand these gangsters are threatening to kill him in crossfire if his other family members do not surrender themselves in police station! The agony of Tanjib's family knows no bound and Allah (swt) is the Watcher over all the crimes these fascist police are committing.

The person who is behind all these spiteful crime against the non-violent activists of the Hizb and their family members, the one who harbors so much hatred for the workers of Allah Azza Wa Jal that even the female activists of this party activist are not safe from his viciousness, the one who is competing hard to be the worst government henchman is the Superintendent of Police (SP) of Jessore district, Anisur Rahman. This ignoble and crooked man has also recently unlawfully arrested four other activists of the Hizb from Jessore and lied to the media that they have surrendered themselves.

Having failed to suppress Hizb ut Tahrir politically and intellectually and its call for the rightly guided Khilafah, the Western colonial powers and their agent rulers have now taken a shameless route to harass family members. Knowing very well that the Hizb has no connection with so called terrorism, the government is now manipulating its power through police to silence the voice of the party members.

Let SP Anis and his henchmen take heed that history is the witness that Islam can never be suppressed by torturing Muslims when Allah (swt) has Himself assumed the responsibility to make His deen victorious. We remind you O the avowed enemy of Allah that whoever tortures and harasses Muslims just because he or she calls for Islam is actually ruining his Akhira and he will be dealt with strongly when the second rightly guided Khilafah state is established (Insha'Allah very soon).

﴿ إِنَّ الَّذِينَ قَتَلُوا الْمُؤْمِنِينَ وَالْمُؤْمِنَاتِ ثُمَّ لَمْ يَتُوبُوا فَلَهُمْ عَذَابُ جَهَنَّمَ وَلَهُمْ عَذَابُ الْحَرِيقِ ﴾

“Indeed, those who have tortured the believing men and believing women and then have not repented will have the punishment of Hell, and they will have the punishment of the Burning Fire.” [Surah Al-Buruj: 10]
