

Press Release

The Government's Plot to Put 'Terrorist' Label on Hizb ut Tahrir by Arranging a Kangaroo Court Trial is doomed to fail as the People are with the Party in it's Struggle for Islam

The illegitimate Hasina government has finally brought terrorism charges against the former spokesperson of Hizb ut Tahrir Mohiuddin Ahmed and deputy spokesperson Kazi Murshedul Haque along with other members and activists of the party. The court of Dhaka Metropolitan Sessions framed the charges after seven years of their arrest and subsequent bail. To please her masters and prove herself as a true soldier in their war on Islam, Hasina is carrying out directives and orders from Washington and Delhi. Framing terrorism charges against innocent former and current members of a nonviolent Islamic political party like Hizb ut Tahrir is part of their global agenda to suppress the call for the second rightly guided Khilafah (Caliphate).

Hizb ut Tahrir follows the nonviolent method of RasulAllah (saw) for more than sixty years to resume the Islamic way of life around the globe, and despite the desperate efforts of the enemies of Islam, no allegation of violence has ever been proved against the party. The party only calls for Islam and exposes the Kuffars' heinous plots and conspiracies against the Ummah - these noble works can never be termed as terrorism. It is crystal clear that there is no basis of the terrorism charges brought by the government against the members of the party but to defame the party and its noble work. It is a well-known fact that, to realize its political objectives, this government manipulates the already subservient judiciary and the present trial is no different than that.

Threatened by the growing support for Islam and having failed to tackle the strength of Islamic ideology politically and intellectually, the agent government has resorted to this malicious project. The believers know for sure that the nasty plans and conspiracies of the enemies of Islam are bound to fail because Allah (swt) has promised to protect His deen:

﴿ وَإِذْ يَمْكُرُ بِكَ الَّذِينَ كَفَرُوا لِيُثْبِتُوكَ أَوْ يَقْتُلُوكَ أَوْ يُخْرِجُوكَ وَيَمْكُرُونَ وَيَمْكُرُ اللَّهُ وَاللَّهُ خَيْرُ الْمَاكِرِينَ ﴾

“And [remember, O Muhammad], when those who disbelieved plotted against you to restrain you or kill you or evict you [from Makkah]. But they plan, and Allah plans. And Allah is the best of planners.” [Surah Al-Anfal: 30]
