

Press Release

With the Help and Support of Allah (swt) Hizb ut Tahrir Organized a Campaign of Mass Interaction in this Blessed Month of Ramadan

Members, activists and supporters of Hizb ut Tahrir gave their best effort in this blessed month of Ramadan to convey to the people the grave importance of re-establishing the Khilafah and that the Khilafah is the only way to liberate the Muslims of Palestine. They started their work on the first Friday of Ramadan (06 Ramadan / 04 July) with mass distribution of the leaflet issued by Hizb ut Tahrir, Wilayah Bangladesh, titled “**Dying under the Hasina-Khaleda Regime is a Death of Jahiliyyah and Removing this Kufir Regime is an Obligation.**” On that day they distributed thousands of leaflets in Dhaka, Chittagong, Sylhet, Rajshahi and Comilla and they followed that up in the next 3-4 days; in total more than 150,000 leaflets were distributed by them within these 4-5 days.

The shabab of the Hizb continued their work with great dedication by setting up “Public Interaction Stalls” at multitude of public gathering places such as in front of mosques, busy streets, entrance to markets and inside Dhaka University. They mingled with the Ummah and held interactive discussions. The shabab were highly enthusiastic in interacting with the Ummah who expressed their support for the Call of the Hizb. The Stalls were arranged on several days for the past two weeks. In addition to the stalls, the members, activists and supporters of the party also arranged Bayans outside dozens of mosques after Dhuhr and Asr prayers on various days throughout these two weeks.

We pray to Allah (swt) to reward the party members, activists and supporters and to bring for them, for the Muslims and for us the good news of the return of the Khilafah soon.
