

Press Release

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Hasina, on one hand, is calling on World Leaders to stop Genocide in Palestine by the Jews, while on the other hand has exposed her Government's Hypocrisy by organizing Joint Air Exercises with Crusader United States - the Patron of Israel;

“And Allah testifies that the Hypocrites are indeed Liars” [Surah Al-Munafiqun: 1]

On 19 February 2024, a 10-day joint exercise between the Bangladesh Air Force and the crusader Pacific Air Force of United States - the patron of the illegal Jewish entity, began at Air Force Base 'Bangabandhu' in the Kurmitola of capital Dhaka. Apart from 250 Air Force personnel, 30 Army personnel and 40 Navy personnel are participating in this exercise. Whereas, on 17 February 2024, Hasina in an interview given to Turkey's state news agency Anadolu on the sidelines of the Munich Security Conference, called on world leaders to stop the genocide in Gaza, Palestine. In such a way, Hasina's government is constantly deceiving and betraying Muslims. Although her government tried to hide its agenda of selling the country's interests to the US by publicly blustering against the Kafir colonialist USA, but her deception is now becoming clear. Meanwhile, the government is moving to sign two defense agreements, ACSA and GSOMIA. Hoping to get the blessing of the United States to pass the electoral process, Hasina's government pledged to the United States to sign two defense agreements, ACSA and GSOMIA. Acquisition and Cross-Servicing Agreement (ACSA) and General Security of Military Information Agreement (GSOMIA) are basically two strategic agreements made by the United States. ACSA is a logistics support agreement. That is, both countries will provide logistical support to each other. For example, any American aircraft or ship can use the port of Bangladesh to take fuel on a priority basis under this agreement. Under the GSOMIA agreement, military intelligence's information will be exchanged. Thus the Hasina government is advancing the US neo-colonialist project Indo-Pacific Strategy, the main objective of which is to counter the regional power China and to counter the rise of the Khilafah (Caliphate), the political aspirations of the Muslim Ummah. However, Allah (swt) has a clear prohibition regarding these military exercises and military agreements with the infidels. Allah (swt) says, **“If they gain dominance over you, they would be [i.e., behave] to you as enemies and extend against you their hands and their tongues with evil, and they wish you would disbelieve”** [Surah Al-Mumtahina: 02].

O People, since the British period, inherently the secular ruling classes have been the agents of the kafir-colonialists and they are in fact, the enemies of the country and the Muslims. You have witnessed, BNP alliance is constantly trying to deceive the people regarding the US colonialist project by raising calls for saving democracy and taking anti-Hasina stances. So you should completely reject these secular agents, because they do not protect the interests of the country and do not represent the Muslims either. If you want to be freed from the clutch of colonialists, you must unite with the sincere politicians of **Hizb ut Tahrir** in re-establishing the Khilafah (caliphate) and move forward on the path of implementing the good news given by RasulAllah (saw). He ﷺ said, *“...And then there will be return of the Khilafah on the way of Prophethood”* (Musnad Ahmad).

O Sincere Officers in the Military, the successors of Muhammad bin Qasim! Allah (swt) says, **“Whoever desires honor and fame (which cannot be obtained by ignoring Allah), let him know that, to Allah belongs all honor and fame”** [Surah Fatir: 10]. You know, the hands of the crusader US military are stained with Muslim blood. Through your exercises with these forces, the current agent regime is turning your “Sword of Honor” into a “Sword of Humiliation”. You must not have forgotten that your predecessors liberated this region with their swords and brought it under the shade of Islam. And now the Kuffers with the help of the agents ruling classes are constantly establishing control over you and using you as fuel for the Kufr war to protect their interests worldwide. So you should advance in re-establishing the Khilafah under the leadership of **Hizb ut Tahrir** by removing this agent regime and by giving nusrah (power) to **Hizb ut Tahrir** for this purpose. Through this your "Sword of Honor" will be secured and you too will be able to gain the honor and glory given by Allah (swt).

﴿إِلَّا تَنْفِرُوا يُعَذِّبِكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَىٰ كُلِّ شَيْءٍ قَدِيرٌ﴾

“If you do not go forth, He will punish you with a painful punishment and will replace you with another people, and you will not harm Him at all. And Allah is over all things competent” [At-Tawba: 39].
