Continuous Subservience to India proves that Hasina Government is a Threat to the Country's Sovereignty; and the Obligation of the Military Forces, the Guardian of Sovereignty, is to immediately remove the Hasina Government

To show her unwavering loyalty to India, Hasina without any delay left for New Delhi (June 21, 2024) to meet the newly elected Prime Minister of India. During this visit, Hasina signed 10 Memorandum of Understanding (MoU) in favor of India. In particular, India has been provided with Rail transit at the heart of this country to help establishing strategic connectivity between the eastern region and the western region of India, which causing huge public outrage. In response, Hasina said, "Look at Europe, there are no borders" [Prothom Alo, June 25, 2024]. In fact, her statement, citing the example of Europe, revealed her evil desire to merge Bangladesh with India. This point is made clearer when she says, India liberated Bangladesh with its own blood [Hindustan Times (Bangla), June 25, 2024]. Hasina's government is so blind to India that they do not bother about the constant killing of our innocent farmers, capturing of our fishermen, capturing and killing of our border security forces (BGB) members. **"May Allah destroy them; how are they deluded?"** [Surah At-Tawbah: 30].

O People, during the visit there were also signing of a Memorandum of Understanding between Defense Services Staff College (DSSC), Wellington and Defense Services Command and Staff College (DSSC), Mirpur for cooperation in military education in strategic and operational studies. The main goal of which is to establish more control over the Bangladesh military. You know how India implemented the process of weakening the country's military through the Pilkhana massacre with the help of the Hasina government, which is as clear as daylight in the recent statement of the former Director General of BGB, traitor General (ret'd) Mainul Islam [What happened in Pilkhana that day in DG Mainul's statement, Daily Manab zamin, February 26, 2024]. In fact, the Hindutva state of India is the enemy of the Muslims, India's aggression against the Muslims of the region is similar to the aggression of the occupying Jewish state against the Muslims of Palestine. And Hasina is one of the treacherous Muslim rulers through whom India is dominating this country. Allah ﷻ says, **"You will surely find the most intense of the people in animosity toward the believers [to be] the Jews and Polytheists"** [Surah al-Ma'idah: 82].

O Sincere Officers in the Military, you are the successor of Mohammad Bin Qasim, Ikhtiyar Uddin Mohammad Bin Bakhtiyar Khilji, who liberated this region from the grip of Hindutva kings by sacrificing their blood. By recognizing the blood of Indian soldiers, the polytheist state that intervened in Muslim lands in the name of freedom war, Hasina is basically denying the sacred blood of Muslim brave soldiers and betraying the Muslim Ummah. And subjecting the country to the King Dahir of this era and endangering the sovereignty of the country. You must realize that the sovereignty of the country is in your hands and the people of the country are demanding that you remove the Hasina government and protect the sovereignty of the country. RasulAllah ﷺ said, **"Surely the Imam (Khaleefah) is the shield behind which the Muslims fight and protect themselves"** (Sahih Muslim). Therefore, **Hizb ut Tahrir** calls upon you that fulfill your duty of Iman by giving Nussrah to **Hizb ut Tahrir** in establishing the Khilafah (Caliphate) in the method of Prophethood and be a pioneer in protecting the sovereignty of the Muslim Ummah.

﴿إِلَّا تَنْفَرُوا يُعَذِّبَكُمُ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَىٰ كُلِّ شَيْءٍ قَدِيرٌ﴾

"If you do not go forth, Allah will punish you with a painful punishment and will replace you with another people, and you will not harm Him at all. And Allah over all things competent" [Surah at-Tawbah: 39].
