From demonstrations organized by **Hizb ut Tahrir, Wilayah Bangladesh**, a Call to the Sincere Officers in the Military:

The Muslim Ummah is demanding the liberation of Palestine. March forth to liberate Palestine. Give nussrah (authority) to Hizb ut Tahrir in re-establishing the Khilafah (Caliphate)

Today (Friday, dated 7/6/2024) after Jumma, from many mosques in Dhaka City and Chittagong City, demonstrations were organized, demanding to the sincere officers in the military to march forth to liberate Palestine and give nussrah (authority) to **Hizb ut Tahrir** to restablis the Khilafah (Caliphate). From the demonstrations, where hundreds of prayer-goers spontaneously participated, the people chanted slogans against the 'two-state solution' project of the Western Crusaders, the conspiracy to recognize the illegal Jewish entity, the deception and silence of the agent Muslim rulers, and also chanted slogans to inspire the Muslim armed forces so that they march forth to liberate Palestine by reminding them their glorious history, to learn from their forefathers, and their responsibilities, such as: *Palestine...Palestine.../Respond O Muslim Armies!; Palestine is Bleeding/ Respond O Muslim Armies!; Blessed Land Palestine/ Respond O Muslim Armies!; Throw the 'Two-State Solution'/Respond O Muslim Armies!; Wipe out Israel/Respond O Muslim Armies!; Liberate Palestine/Respond O Muslim Armies!; Remove treacherous rulers/Respond O Muslim Armies!; Establish Caliphate/Respond O Muslim Armies!; You are Khalid's sword/Respond O Muslim Armies!; Son of Ayyubi/Respond O Muslim Armies!; Come out from Barracks/Respond O Muslim Armies!; Fulfill your responsibility/Respond O Muslim Armies!; Where is today's Salahuddin/Respond O Muslim Armies!... etc.*

While Muslims around the world are demanding the liberation of Palestine, the agent rulers of Muslim countries, on the other hand, are conspiring to recognize the illegal Jewish entity in the blessed land of Palestine in the name of the 'Two-State solution' of the Western Crusaders. As you are aware, in 1917, the British Foreign Minister's 'Balfour Declaration' supported the establishment of a national home for Jews in Palestine. During the Second World War, there were influxes of large numbers of Jewish refugees to Palestine and they began to evict Muslims from their homes. After the Second World War, under the supervision of America, in November 1947, according to the United Nations Security Council Resolution 181, Palestine was partitioned and this illegal occupation of the Jews was recognized as a legitimate state. With the help of Western Crusaders, particularly Britain-America, this Jewish entity currently occupies about 85% of the land of Palestine. The 'Two-State Solution' recognizes this illegal occupation on the blessed land of Palestine.

These rulers are the main obstacle in the way of liberating Palestine. They have chained the Muslim military forces in barracks. Hence, the sincere officers in the military should follow the footsteps of Salahuddin Ayyubi, who overthrew the hypocrite rulers and united the Muslim lands and conducted a military campaign to liberate Jerusalem from the Christian Crusaders in 1187. So, their duty is to remove the current ruling elites and provide nussrah (authority) to **Hizb ut Tahrir** to re-establish the Khilafah - the responsible State for the Muslim Ummah. Only the Khilafah will mobilize the military forces of the Muslim Ummah and send them on the military expeditions to liberate Palestine. RasulAllah ﷺ said, "Surely the Imam (Khaleefah) is the shield behind which the Muslims fight and protect themselves" (Sahih Muslim).
