Resisting the US Policy of displacing the Oppressed Muslims of Gaza, is a Duty of Imaan of the Muslim Ummah

Hizb ut Tahrir, Wilayah Bangladesh, today (07/02/2025) after Friday prayers, organized protest demonstrations and processions in various mosques in Dhaka and Chittagong, the title of which were, “*Resisting the US policy of displacing the oppressed Muslims of Gaza, is the duty of Imaan of the Muslim Ummah*”. In a press conference at the White House with the Prime Minister of the Jewish entity Benjamin Netanyahu, Trump said that the United States will occupy the Gaza Strip, own it and rebuild Gaza. He also boasted that for this purpose, he has proposed to Jordan and Egypt to divide the Muslims of Gaza and they will be forced to do so. The speakers at the demonstrations highlighted why the West is failing to displace the Muslims of Gaza from their land despite all this oppression, why Trump dares to make such arrogant statements, the crimes of the US agents in Muslim lands, the path to liberating the blessed land of Palestine, and the responsibility of the sincere military officers who are the successors of Saladin Ayyubi of this era. A summary of speeches is given below:

O Muslims! Trump's announcement came when the usurper Jewish entity with the direct support of the United States, has failed to defeat the morale of the Muslims in Gaza through war and genocide. Despite the destruction of more than 60 percent of Gaza's infrastructure, including hospitals, universities and schools, in the brutal massacre and destruction of the usurper Jewish entity for 15 consecutive months, the Muslims of Gaza have started returning to their blessed land. Despite all this destruction, Trump and his followers are witnessing with amazed how the displaced Muslims of Gaza are returning to their destroyed homes with an indomitable determination and they are as strong as mountains in their land. Therefore, Trump's plan to evict them from Gaza will be failed before the firmness of faith and determination of the inhabitants of the blessed land. Because these residents of Gaza, who are part of the Muslim Ummah, have surrounded the blessed land and the first Qibla of Muslims, Al-Aqsa, despite making the greatest sacrifices. About whose status the Messenger of Allah ﷺ said, “*How blessed is Al-Sham! The companions asked, ‘Why is this?’ The Messenger of Allah ﷺ said, ‘I see the angels of Allah spreading their wings over Al-Sham.’ Ibn Abbas also said, ‘And the prophets used to live there. There is not an inch of Al-Quds (Jerusalem) where a prophet has not prayed or an angel has not stood.*” [Tirmidhi, Ahmad].

O Muslims! When the blessed land of Palestine is surrounded by militarily powerful Muslim states, when we are two billion Muslims alive in the world, when there are several hundred million members of the Muslim military, how can Trump show this audacity? Because he knows that the Western agent Muslim rulers did not stand by the Muslims of Gaza to save them from the Israeli genocide of the last 15 months, but rather they have divided Muslims on the basis of nationality and confined the Muslim military forces to barracks. Although these agents openly condemn them, they are committed to implementing US policies. Allah ﷻ says, “**The believers are but one brotherhood**” [Surah Hujurat: 10].

You have witnessed that a group of politicians and intellectuals in Bangladesh have accepted the United States as their guardian - the Colonialist power and the open enemy of Muslims. What can we expect from those who seek the help of the United States, who feel proud when they receive Trump's invitation? Allah ﷻ says, “**O believers! Take neither Jews nor Christians as guardians—they are guardians of each other. Whoever does so will be counted as one of them. Surely Allah does not guide the wrongdoing people**” [Surah Al-Ma'idah: 51]. Therefore, it is a duty of imaan for Muslims to reject the United States, which supports the Jews, and to reject the American agents in this country.

O Muslims, the Messenger of Allah ﷺ said, “*The Imam (Caliph) is the shield under which you fight and protect yourselves*” [Sahih Bukhari]. The only protector of the Muslims is the Khaleefa. Today, Muslims worldwide

are oppressed due to the absence of this protector. This issue is now as clear as daylight. Therefore, you must unite under the leadership of **Hizb ut Tahrir** to establish the Khilafah (Caliphate) - the true protector of the Muslim Ummah and reject the so-called democratic and nationalist political settlements of the United States, otherwise you will have to face Allah ﷻ on the Day of Judgment. The Khilafah State established on the method of Prophethood under the leadership of **Hizb ut Tahrir** will unite the Muslim Ummah and its military forces. As a result, the roar of the Muslim military under the Khilafah (Caliphate) is capable of stopping all oppressions on the Muslim Ummah.

O Sincere Officers in the Military - the Descendants of Saladin Ayyubi! You must know how your forefather Saladin Ayyubi removed his obstacles to liberating Jerusalem. The obstacles before you are the current agents and the secular democratic system. And now you have a great opportunity. So withdraw your protection given to the agents and give nussrah (material support) to **Hizb ut Tahrir** to establish the Khilafah. You must know that when the military forces led by Sa'd bin Mu'adh in Madina withdrew their support and guard from the Kafir leader Abdullah ibn Ubayy and gave the protocol to the Messenger of Allah ﷺ, the powerless Abdullah ibn Ubayy realized this and became a common spectator. Besides, the people of the country at all levels are fed up with the current political circus of agents. The victory of Islam will unite the people and will celebrate the true takbir. In achieving this goal, you have no reason to fear the colonial power or the Hindutva state India. You must have already understood that the United States is internally fragile and ideologically bankrupt worldwide, and how helpless India is without its agents (Hasina Gang)! You should also remember that when you take the lead, Allah ﷻ will help you.

﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾

“We certainly help Our messengers and the believers, ‘both’ in this worldly life and on the Day the witnesses will stand forth ‘for testimony’” [Surah Ghafir: 51].
