Carrying out a Brutal Police attack on the “March for Khilafah” Rally, this American-Indian Agent Interim-government has clarified their Stance against Islam and Muslims, and their Loyalty to their Masters

This American-Indian agent interim-government has shed blood from the hearts of the people by carrying out the sudden brutal police attack on thousands of fasting Muslims peacefully participating in the "March for Khilafah" rally demanding the establishment of a governance system based on the Quran and Sunnah - the Khilafah system upon the method Prophethood in the month of Ramadan in which the Qur'an was revealed. This unprecedented attack has reminded us of the continuous brutal attacks by the accursed Jewish entity on the pious worshippers of Al-Aqsa Mosque in the blessed land of Palestine. Muslims from all walks of life in the country feel that the Muslim Ummah is orphaned and how guardianless due to the absence of the Khilafah system! In addition to the injury and arrest of numerous fasting Muslims, two things have deeply hurt the hearts of Islam-loving Muslims in this country. One is that, when two people injured in the sound grenade attack by the evil security forces, they were quickly taken to Dhaka Medical College for urgent treatment by another two; these four people including the injured were arrested from the hospital. Another is that, when a Muslim fell to the ground during a police attack, a rickshaw puller mysteriously started beating him with a stick alongside the police, which led to the army members arresting him and handing him over to the DB police, and the so-called revolutionary Advisor directly went and rescued him from the DB custody. When this incident went viral on social media, the Advisor posted on Facebook calling that criminal a hero. However, we want to warn these foolish agents so that they learn from what happened to cruel Hasina. And we want to remind them that **Hizb ut Tahrir** is a party deeply rooted in all walks of life, including talented and courageous young people, and the people of power support this party. So if they do not correct themselves, we want to warn them, “The way Hasina has fled, the agents would have to flee in the same way”. Allah ﷻ says, “**And whoever does not repent - then it is those who are the wrongdoers**” [Surah Al-Hujurat: 11].

We would like to say to the Members of the Security Forces, the Messenger of Allah ﷺ said, “*There is no obedience in disobedience to Allah. Obedience is only in the righteous command*” [Bukhari and Muslim]. He ﷺ also said, “*There is no obedience to the one who (ruler) disobeys Allah*” [Musnad Ahmad]. That is, obeying the rulers in opposition to the command of Allah is forbidden. You surely know that the Khilafah Rashidah and the Khulafa Rashidah Abu Bakr (RA), Umar (RA), Uthman (RA), Ali (RA) are indisputable and dearer to Muslims than their lives. So ask yourself how much of a disgrace it is to suppress the claim of the Khilafah Rashidah. And we would like to inform you that the establishment of the Khilafah under the leadership of **Hizb ut-Tahrir** is only a matter of time, by the will of Allah ﷻ. So those of you who do not repent and stop arresting and harassing the political activists of the establishment of the Khilafah and attacking them will not be forgotten. You will be faced with a severe trial under the Khilafah, and even if you leave this world, there is a terrible punishment from Allah ﷻ. “**And they will say, ‘Our Lord, indeed we obeyed our masters and our dignitaries, and they led us astray from the [right] path’**” [Surah Ahzab: 67]. “**Those who followed will say, ‘If only we had another turn [at worldly life] so we could disassociate ourselves from them as they have disassociated themselves from us.’ Thus will Allāh show them their deeds as regrets upon them. And they are never to emerge from the Fire**” [Surah Baqarah: 167]. Surely you have not forgotten the misfortune of the corrupt forces loyal to the fallen tyrant Hasina.

O Sincere Sons of the Muslim Ummah serving in the Military! The Messenger of Allah ﷺ said, “**Indeed, the Imam (Caliph) is a shield under which you fight with and protect yourselves**” [Sahih Muslim]. You must have witnessed this day of brutal attacks, because your colleagues were also in the field. The blood and sovereignty of the Muslim Ummah are not safe under these foolish agent rulers. They are constantly failing to provide security to the people, yet they have not failed to shed the blood of fasting Muslims to appease their master America and India! You are the sons of the Muslim Ummah who have the military power in your hands, through which you are able to free the Muslims from this oppression forever. Respond to the demands that the Islamic-loving people have made to you through today’s “March for the Khilafah” and provide nussrah

(material support) to **Hizb ut Tahrir** to establish the Khilafah. You should follow the footsteps of your predecessor, Sa'd bin Mu'adh (RA). You must know that when the military forces led by Sa'd bin Mu'adh in Medina withdrew their support and guard from the Kafir leader Abdullah bin Ubayy and gave the protocol to the Messenger of Allah ﷺ, the powerless Abdullah bin Ubayy lost his power and became a mere spectator. Indeed, it is only in the victory of Islam that the people will unite and chant the true Takbir.

“O you who have believed, respond to Allāh and to the Messenger when he calls you to that which gives you life”
[Surah Al-Anfal: 24].
