The joint patrol 'CORPAT' with enemy India and the bilateral exercise 'Bangosagar' prove that USA-Indian Agents are playing with the Country's Sovereignty for the Interest of their Colonialist Masters

One of the reasons why the traitor Hasina was overthrown by the people was that she implemented the Indian conspiracy at Pilkhana and regularly made all the evil attempts to establish Indian control over the country's army. At the very moment when the people are vocal in demanding justice for Pilkhana tragedy, the joint patrol 'CORPAT' and the bilateral exercise 'Bangosagar' held in the Bay of Bengal with the participation of the Bangladesh and Indian navies have shocked the people. In fact, the USA-Indian agents are determined to protect the geopolitical interests of their colonial masters even at the expense of country's sovereignty. It is worth mentioning that when the secular political classes of the country did not raise its voice against the Pilkhana conspiracy, only **Hizb ut-Tahrir** bravely exposed the conspiracy before the nation and resisted against the conspiracy against the country's sovereignty. And for this reason, the treacherous Hasina government banned this truthful and just, and highly disciplined party, calling it a threat to the so-called public security. And now it is as clear as daylight, while playing with the country's sovereignty, the current USA-Indian agents are following the same footsteps of the fallen Hasina and trying to silence the voice of **Hizb ut-Tahrir**. The Prophet ﷺ has warned us about these foolish rulers. The Prophet ﷺ said, *"There will come to the people years of treachery, when the liar will be regarded as honest, and the honest man will be regarded as a liar; the traitor will be regarded as faithful, and the faithful man will be regarded as a traitor; and the Ruwaibidah will decide matters."* It was said: 'Who are the Ruwaibidah?' He said: 'Vile and base men who control the affairs of the people' [Ibn Majah]. The people must hold these treacherous agent rulers accountable. Because these agents are revealing the secrets of the Muslim military to the enemies through joint military exercises and putting the sovereignty of the country at risk.

O Sincere Officers in the Military! O vigilant guards of protecting freedom and sovereignty of the country! The deception of the USA-Indian agents are now as clear as daylight. Since they are agents, they are committed to protecting the interests of their Western masters while ignoring the interests of the people, so they do not trust in the people's power. Your hearts are still bleeding from the murder of your colleagues in Pilkhana. Yet, what a great betrayal has been committed by the agent ruling elites by organizing this exercise with those whose hands are stained with the blood of your brothers! You have witnessed how the people unitedly played a cooperative role with you in confronting the border aggression. How the young generation unitedly shook the streets with the slogan *"Delhi or Dhaka, Dhaka Dhaka"* and forced the treacherous Hasina government to fall. Yet how suicidal are the power-hungry agent ruling elites that they do not hesitate to steal the *"gold of their mother's ear"*, they do not hesitate to divide you for the sake of their Western masters. The Messenger of Allah ﷺ said, **"Indeed, the Imam (Khalifa) is a shield under which you fight with and protect yourselves"** [Sahih Muslim]. Therefore, you must restore the real guardian system of the Khilafah to protect the sovereignty of the country. As you know, in the "March for Khilafah" program the people have demanded Nusrah (power) for **Hizb ut Tahrir**, a political party dedicated to establishing the Khilafah on the method of the Prophethood. Insha'Allah, Only under the Khilafah, the people will be united and confront the dominance of the Western Kafir colonialists and their regional henchman India.

"If you do not go forth, He will punish you with a painful punishment and will replace you with another people, and you will not harm Him at all. And Allāh is over all things competent" [Surah At-Tawbah: 39]
